Dear Parents,

Before a student will be allowed to practice for any school sport, they will have to meet all the conditions outlined by Lisa Lapierre-Miller our school physician. They are as follows:

1. to have a physical date listed.
2. to have turned in Health Review form to the Health Office that must have been reviewed and have a yes in the approval box.
3. to have turned in an insurance form that has an "X" in the insurance box.

Since Mrs. Lapierre-Miller has insisted on all these stipulations prior to the first practice to insure the safety of all athletes we must comply.

Since the district has been required by the medical office to have these in place there will be no exceptions. Please make sure you take the necessary steps to complete these requirements in a timely manner.

Sincerely,

Peter J. Turner  
Superintendent of Schools
