

JAN. 20

**CALLING ALL  
PARENTS &  
FAMILIES!**

Attn: Parents/Guardians,

***The pathway to college and the workplace has changed more in the last two years than in the previous 30!***

Learn how these changes affect your child by participating in a free virtual training led by professionals from CFES Brilliant Pathways. The CCR (College & Career Readiness) Advisor training involves four 30-minute sessions: a live opening session on January 20 at 6 pm ET, two learning sessions you can log into at your convenience, and a live closing session a week later on January 27 at 6pm ET.

These sessions will give you valuable information on paying for college, including how to help your child

- access millions of dollars in scholarships and financial aid that goes unused each year,
- find the right college and navigate the application process,
- identify best-fitting majors and careers,
- develop the Essential Skills (*leadership, networking, goal setting, teamwork, agility, perseverance*) that ensure success in college, the workplace, and beyond.

Participating parents and guardians receive a certificate from the University of Vermont. Training offered in both English and Spanish, you can register [here](#).
