Chromebook Insurance Policy

The Northeastern School District has worked and will continue to work diligently to give our students the tools in order to enhance learning in our everchanging 21st century learning environments. All students attending the NCCS Middle and High Schools have a device that is appropriated for them. Students will need these devices for the everyday learning in most if not all of their classes. Chromebooks are tools that students will need, just like textbooks, in order to complete their school work.

Once these devices are issued to the student, it is their responsibility to bring to school daily, charge, in their school issued case, and maintain the cosmetic and physical functionality of the device. The Northeastern Clinton School District is offering families the opportunity to purchase optional insurance on the Chromebook. Families are not required to purchase the insurance but it is encouraged to offset cost of potential accidents.

The cost of the insurance is \$20.00 per student or \$40.00 per family. This includes students of the same immediate family in grades 6 through 12.

The insurance covers the following:

- Accidental damage (includes drops, cracked screens, liquid spills)
- Theft, burglary, and robbery (with a police report)
- Fire, flood, power surge, and natural disaster

The insurance policy **does not cover** the following:

- When a student has lost their Chromebook and/or its' accessories
- Damage caused by intentional misuse or abuse, or cosmetic damage, or defacing the unit (students are not permitted to write on, adhere stickers or decals on the devices)
- Lost, stolen, or broken charge cords

As stated above the insurance is optional. If a family does not want to purchase the insurance and damage occurs to the student device the following cost will occur for replacement parts for (replacement part prices are based upon current distributor cost):

- Full Device Replacement \$250
- Motherboard Replacement \$100
- Screen Replacement \$30
- Keyboard Replacement \$55
- A/C Charger Replacement \$20
- Battery Replacement \$ 55

To purchase the Chromebook insurance cash or checks can be made out to the Northeastern Clinton Central School District, attention to Shelly Brooks. Please indicate the student/s that are being insured. Receipt will be available upon request from the NCCS Business Office.
