

NCCS FAMILIES: EMERGENCY SCHOOL CLOSING

We will do our best to make our decision to close school prior to 6:00 a.m. and notify the following television and radio stations:

- WPTZ
- WIRY
- WOKO

The District will also activate an automated voice messaging system that calls the phone contacts that have been provided to individual buildings. Please make sure contacts are updated in our main offices throughout the year.

Please listen to the stations above or check our school webpage, just in case you have missed or didn't receive the automated call.

Thank you,
Robb Garrard
Interim Superintendent
