APPLICATION FOR JUNIOR/SENIOR DRIVING PRIVILEGES

2018-2019 SCHOOL YEAR

I have read the State of Understanding and Violations/Consequences as outlined by the Northeastern Clinton Central School. I understand that the rules and expectations are outlined clearly, and I am expected to adhere to all rules. I understand that the purpose of these rules are to ensure the safety of myself and the other students at NCCS.

Due to the limited number of parking spaces available, I realize as a junior, it will be difficult to receive a parking permit for the year. To help with this matter, a committee will review all junior applications to disperse the remaining parking spots and **all juniors are asked to write a justification letter** of why they should be considered for a space. **ALL APPLICANT'S MUST PROVIDE A VALID DRIVER'S LICENSE FOR PHOTOCOPYING.**
